FREE-STANDING DESK SCREENS WITHOUT CUT OUT

COVFS1270 (w)1200x(h)700mm
COVFS1470 (w)1400x(h)700mm
COVFS1670 (w)1600x(h)700mm

These free-standing protective screens are practical divider panels for desks or tables.

Ideal for providing hygienic, semi-private working areas especially when used with bench desks, stopping the transmission of airborne bacteria / viruses, whilst still allowing for visibility of colleagues.

Key Features

- Stabilising feet included
- Made from 4mm transparent cast acrylic
- Variety of widths available
- Radius corners
- Perfect for desks, meeting rooms & reception areas

Clear

3 Old Market Lane, Killarney
